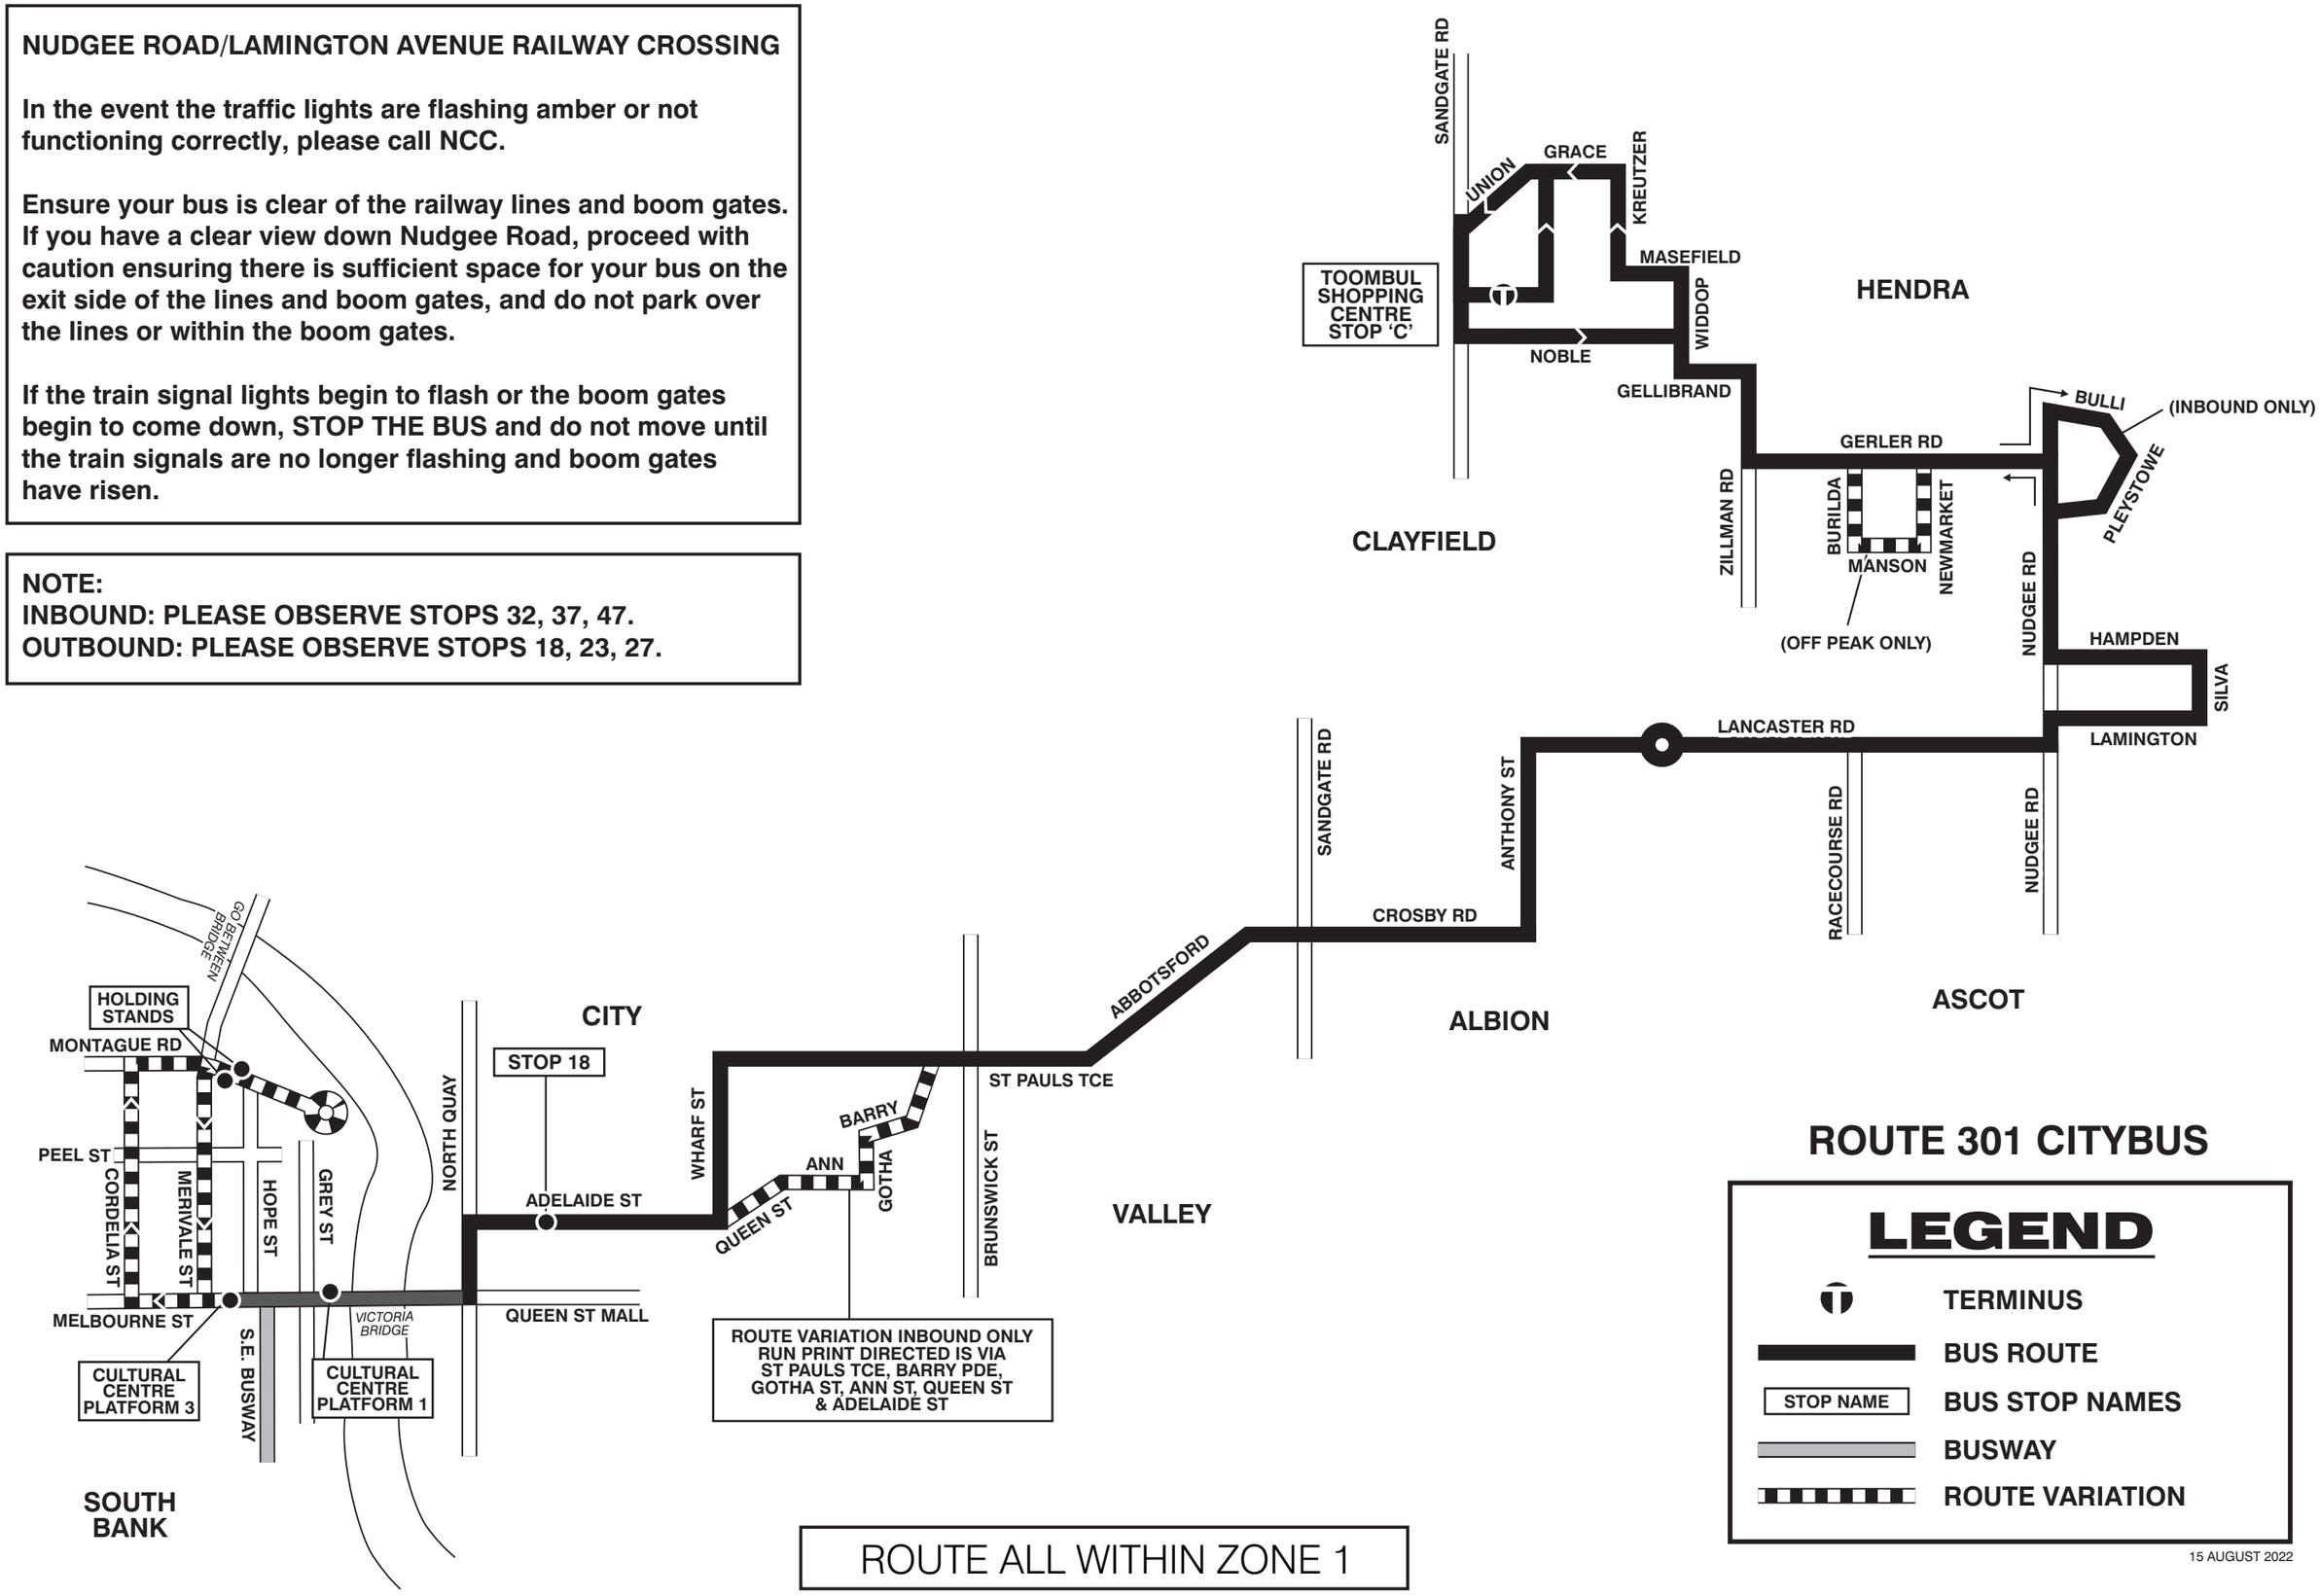
NUDGEE ROAD/LAMINGTON AVENUE RAILWAY CROSSING

In the event the traffic lights are flashing amber or not functioning correctly, please call NCC.

Ensure your bus is clear of the railway lines and boom gates. If you have a clear view down Nudgee Road, proceed with caution ensuring there is sufficient space for your bus on the exit side of the lines and boom gates, and do not park over the lines or within the boom gates.

If the train signal lights begin to flash or the boom gates begin to come down, STOP THE BUS and do not move until the train signals are no longer flashing and boom gates have risen.

NOTE:
INBOUND: PLEASE OBSERVE STOPS 32, 37, 47.
OUTBOUND: PLEASE OBSERVE STOPS 18, 23, 27.



ROUTE ALL WITHIN ZONE 1
